Join us as the sun sets for a group cycle along the Margate coastline and enjoy some alfresco grooves on the move! Led by a pimped-out rickshaw with a killer sound system and onboard DJ playing a soundscape of electronic beats. An opportunity for the local community and visitors to

get together and get creative, decorating their bikes and themselves, lights, costumes, horns, bells and whistles... let your imagination cycle free!

For private group bookings contact hello@colskentbiketours.co.uk
Suitable for families, birthdays, bachelor & bachelorette events etc
